Monday, March 24, 2014

“Minutes of the Meeting”

Chairman Bailey called the workshop meeting to order. All members were present

EMS BILLING

Discussion was held relating to two alternatives that Mr. Hunter has researched for EMS Billing Services. After discussion it was the consensus of the Board to table this matter until the regular April 14, 2014 meeting of the Board.

FY 15 OVER-ALL COUNTY BUDGET WORKSHOP

The purpose of this meeting was general discussion of the over-all county budget for Fiscal Year 2015 and proposed tax rates for 2014. A request was also submitted from Devin Davenport, President of Tri Rivers Titans asking for consideration to be included in the FY 15 budget. The funds will enable the Tri Rivers Titans to continue to provide football and cheerleading to our communities. It was the consensus of the Board to add them into the proposed budget in the amount of \$2,500.00.

ASSESSMENT ISSUES

The Board was advised that Derek Green, Gloucester County Assessor is available to be present to discuss assessment issues, etc., at the May 27 workshop. Mr. Swartzwelder asked the Board to provide him with any major questions in advance so that he can give Mr. Green a heads up on preparation.

IT IS ORDERED THAT THIS BOARD BE ADJOURNED:

A motion was made and seconded to adjourn the workshop meeting.
