General Registrar updated Electoral Board members on the Legislative Review. There is a bill in the General Assembly that is likely going to be passed which allows for no excuse early voting for 7 days prior to an election. Absentee voting; no excuse in-person voting available beginning on the second Saturday immediately preceding election. The provisions of the bill do not become effective until November 3, 2020. There is a push in the General Assembly to implement November 2019. It will likely have a financial impact on our locality, which was not included in the budget.
