Mrs. White asked why her rate went up so much on a 30 year old shed? That the picture of the shed in her file was her neighbors shed not hers and the size on the shed was bigger than hers. Her shed is 6ft. x 8ft and the one in the assessment is 10ft. x 12ft. She said that her shed is not a flat shed by no means.

Motioned that the shed go back to original assessment of \$200.

Motion to no change, agreed and approved.

Unanimous
