Ms. Fogg questioned the amount that the property went up.

She mentioned that she has clear cut and not reseeded the 132 acres + 74 acres in all
206 acres clear cut.

Under natural growth under 20 years there is no value.

Board motioned to remove the timber amount on the 132 acres and the 74 acres to
classification P from O with no value.

Motioned approved.

Unanimous

Motion not to change.
