The assessors took away the discount from the previous assessment. They had spoken to Roger Calhoun and learned about his meeting with the Board. Brandon Calhoun's Economic Depreciation had changed from .487% to .250% from his last assessment and because of the severe problems with the landfill has depreciated not appreciated. The Board decided to put the depreciation back to .487%.

Changed Economic Depreciation to .487% from .250%

Motion to change is unanimous.
